

PMI Puget Sound Chapter: Vision & Mission

Vision

The Puget Sound Chapter's **Vision** is to be a forum for excellence in project management that will increase the awareness, effectiveness and value of professional project management for practitioners and organizations.

Mission

The Puget Sound Chapter's **Mission** is to advance the profession of project management by creating a culture and community that facilitates professional growth through education and volunteerism by:

1. Creating opportunities for development and learning in project management
2. Providing programs and services to the Project Management community
3. Promoting project management, certification, PMI, and project management professionalism to the community
4. Maintaining a sustainable Puget Sound PMI Chapter

What is PMI?

The Project Management Institute (PMI) is an international nonprofit professional organization, advancing project management excellence through professionalism.

PMI Membership Growth – with more than 133,000 members worldwide, PMI is the leading project management professional association. PMI establishes standards, provides seminars, educational programs and professional certification that more organizations are requiring for project managers.

Gain the Competitive Edge – PMI provides your organization a forum to share information, improve skills and solve problems. PMI encourages program development that educates individuals on the management of simple and complex projects, thus improving project management practices.

Individual Membership – A \$10 application fee plus annual dues of \$149 cover the cost of PMI (\$119) and PMI Puget Sound Chapter (\$30). All membership applications and dues processing are done by PMI on the web at www.pmi.org/info/GMC_MembershipOverview.asp

PMI Puget Sound Chapter Volunteers

The local chapter is run by volunteers, with registration support outsourced. The volunteer Board of Directors is elected by the membership annually at the general membership meeting in May. Other volunteers keep the chapter running through work on various committees. The chapter website contains details of various positions and officers.
